

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

March 27, 2007

On October 26, 2006 at 4:00 p.m., Cerritos deputies were dispatched to a residence on Rose Street in the City of Cerritos regarding a rescue call. Upon their arrival the deputies entered the home and learned that two male adults had been shot to death. One victim, Joshua Shin, age 32, lived at the house with his parents. The other victim, Matthew Morrison, age 23, was a visitor.

Homicide investigators have several significant leads and an increase in posted reward monies may help to motivate those with specific knowledge about this case to come forward. It is important for the County of Los Angeles to display its resolve in protecting innocent citizens from appalling crimes. In order to bring this suspect to justice, and demonstrate our intolerance to such deplorable crimes, I believe the reward for this case should be extended for three more months, hoping someone will come forward in order that we can bring this suspect to justice.

I, THEREFORE MOVE THAT The Board extends, for 3 more months, the deadline date for the \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
